

VTA FY18 Member Engagement Survey – Fall, 2017

The Virginia Transit Association, your voice for public transit in Virginia, strives to provide our transit and business members with networking opportunities, quality professional development, and outstanding leadership service. The organization needs greater involvement from our members in identifying, planning, and delivering the programs that will enhance the transit industry. Please review the following and consider how you can help VTA achieve success.

Name:

Agency or Company:

VTA Membership Category:

Transit Provider

TDM

Associate/Individual

Business

Please identify training topics that would be helpful for you or your staff and indicate whether a webinar or a conference workshop would be most appropriate. (Expert or Trainer contact information, if available, would be most appreciated.)

---

---

The VTA Board of Directors has identified some program needs for the upcoming year. These call for more member involvement in work groups or committees. Please consider volunteering for *one or more* of the following and check those that interest you:

Training and Professional Development Cadre

Award applicant review (spring)

Annual Conference Planning (May 22-23 in Richmond) (logistics, entertainment, speakers, program sessions)

TDM

Other suggestions?

Thank you for your willingness to share your professional expertise. The VTA office will follow up with you promptly.
